

## *VISU International Bioenergy Days*

*The International Bioenergy Days are a two-day event consisting of a Bioenergy seminar in Seinäjoki and a Bioenergy field trip day. The topics of the event are bioenergy use and production and the heat entrepreneurship business model. Great emphasis is also placed on the development of new bioenergy-related project ideas and networking.*

*Save the date of the events:*

### **Bioenergy seminar 10th of October, 2018**
